For Idea you can checkout this Screenshots

A screenshot of a web browser window displaying a login page. The browser's address bar shows 'localhost'. The page has a header with the word 'Scratch' on the left and 'Signup Login' on the right. The main content area contains a form with two input fields: 'Email' and 'Password'. Below these fields is a blue button labeled 'Login'.

A screenshot of a chat interface. At the top is a purple header with the text 'Let's Talk' and a sub-header 'We are offline, we will get back to you soon'. The chat area shows two messages: one from 'Admin' saying 'Hey there! please leave your question.' and another from 'Abati' saying 'Hey Admin, Do you offer any discounts?'. At the bottom, there is a text input field and a purple button labeled 'SEND'.
