***For Idea you can checkout this Screenshots***

The screenshot shows a web browser window with the address bar set to 'localhost'. The page has a header with the word 'Scratch' on the left and 'Signup Login' on the right. The main content area contains a login form with the following elements:

- An 'Email' label above a text input field.
- A 'Password' label above a text input field.
- A blue 'Login' button below the password field.

The screenshot shows a chat interface with a purple header bar containing the text 'Let's Talk' and a sub-header 'We are offline, we will get back to you soon'. The chat area has a white background and contains the following messages:

- Admin**: Hey there! please leave your question.
- Abati**: Hey Admin, Do you offer any discounts?

At the bottom of the chat area, there is a text input field and a purple 'SEND' button.
